

TORLYS Hardwood ELITE

30-Year Residential Wear Warranty

Lifetime Structural and Joint Integrity / No Gapping Warranty

TORLYS Hardwood Artisan Elite, Everest Elite and Summit Elite floors are covered by a **30-Year Residential Wear** and a **Lifetime Structural and Joint Integrity / No Gapping Warranty**.

These warranties apply to the original end user, are not transferable, and cover only approved product applications. Please note that these warranties are valid from the date of purchase as shown on the consumer's invoice, starting June 1, 2011.

These warranties are valid only if proper installation (including the use of TORLYS recommended underlayment products), and maintenance procedures, are followed. Check with TORLYS Inc. (1-800-461-2573 or www.torlys.com) for detailed information.

This Warranty is not pro rata!

1. Wear-through Warranty

This is restricted to wear on the surface of the boards. The wear must be readily visible and cover a minimum of 10% of the installed floor. Gloss reduction is not considered wear.

2. Lifetime Structural Warranty

We guarantee that this product is free from manufacturing defects and will remain free of these defects for as long as you own your residence.

3. Lifetime Joint Integrity Warranty / No Gapping Warranty

The joint will remain secure and the planks will not come apart. **Note:** All TORLYS floors are engineered to minimize gapping that can occur in natural floors with seasonal fluctuations. Minor gapping (up to 0.2mm or 0.01 inches), without the unlocking of the planks, may occur and is not considered a defect.

Note: the most frequent causes of excessive gapping are:

- Not meeting the required use of expansion joints (see installation instructions)
- Floor being pinned down by mouldings incorrectly installed, i.e. floor being pinned down by nails or glue
- Joints not properly clicked together or debris caught in the joints
- Extreme dryness conditions (R.H.)

Important: gaps/open joints on TORLYS can be closed with the use of the TORLYS Bulldog® Easy Plank Replacer
