~ Ashley

WHY SMART FLOORS?

- Multiple layers of scratch-resistant, eco-friendly, water-based urethane finish that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping. No other joint outperforms TORLYS Uniclic® Joint.
- TORLYS Smart Core is ultra dense and engineered to be more dent resistant than conventional hardwood.

PERFORMANCE

gapping, warping and cupping?

no thank you

SUPERIOR PERFORMANCE BUILT IN SMART UNICLIC® JOINT TECHNOLOGY

- Constant lower lip pressure creates the tightest joint.
- Tested to withstand extraordinary joint stress—more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks.
- Milled to 1/1000 of an inch for the most exacting fit.

MOST SWELL RESISTANT

- Tested in water for 24 hours, TORLYS floors outperform. While ordinary floors can swell 20% or more, TORLYS Smart Floors register as low as 6%.
- Lowest swell rates prevent ugly raised edges and reduce chipping.

SMART CORE

- TORLYS ultra-dense, compressed Smart Core resists denting.
- Other floors may dent visibly more than TORLYS.

FEELS GOOD

"We reduce the amount of resources needed to make our products. We re-use cork, leather and wood in our floors and offer floors that are FSC® Certified from managed forests. We even encourage customers to re-use or re-purpose their TORLYS floors. At TORLYS, we're inspired by nature in our journey to create a smaller footprint. We urge you to rethink the way you look at flooring too."

~ Peter Barretto, CEO and President

SMARTER USE OF NATURAL RESOURCES

- Do more with less—we produce up to 30 times more hardwood flooring from a single tree than other flooring companies.
- Sustainable—we source hardwood from managed forests.
- Move It and Re-use It—every TORLYS floor can be disassembled and re-used in another room or home. You can even donate it to a local Habitat for Humanity® ReStore.
- Renewable—just ask your TORLYS dealer to replace damaged or dented planks with the TORLYS Bulldog™ Easy Plank Replacer. No glue. No nails. No staining.
