Waterproof Flooring System

THE SMART ADVANTAGE

TORLYS and Quick-Step® revolutionize laminates by marrying the beauty of wood with high performance, waterproof* floors.

STYLEO, SNYDER OAK

Uniclic® Locking System:

The tightest, strongest joint on the market with pre-tension. Designed to keep water out of the joint and keep it on the surface.

AquaProtect:

Water-repellent edge coating keeps water from penetrating the floor's core. Applies to TORLYS waterproof Smart Laminates.

GenuEdge™ Technology:

Colour rolls over the edge and into the bevel. Seals all edges, keeping water out of the joint and core. Applies to all Quick-Step® NatureTEK Plus laminates.

HydroSeal:

Water-repellent edge coating keeps water from penetrating the core. Applies to all Quick-Step® NatureTek laminates.

* Fully waterproof when installed with a perimeter seal (Grand and Lexington-W collections are not waterproof).
Visit torlys.com for complete warranty and installation information.

Colossia

QUICK-STEP
NatureTEK
PERFORMANCE WOOD PLUS

Colossia is an extraordinary, waterproof* collection in contemporary oak designs, offering extra wide and long planks for distinctive detailing.

3/8" (T) x 9-7/16" (W) x 80-1/2" (L) (Nominal)
10 mm (T) x 240 mm (W) x 2050 mm (L)

- Longer and wider planks
- Light wire brushed oak with a matte finish
- 10mm waterproof laminate with HydroSeal
- GenuEdge™ bevel enables the surface design and color to "roll over" the edge for the most realistic looks
- Easy clean surface that can be wet and steam mopped
- 4-sided bevel edge and stunning wood visuals and realistic EIR textures
- AC4 wear rating plus a protective wear layer to stand up against everyday scratches, stains and fading
- Transition free installation on floors up to 50' x 50'

VENICE OAK LIGHT

Finishing Touches

Coordinating Accessories

Mouldings and Trims

5-in-1 Moulding

A Reducer, T-Moulding, multi-purpose square nose and Flush Stair Nosing in ONE profile. Nominal 84-1/2" (length) x 1-7/8" (width), (2150mm x 48mm)

A T-Moulding – used to adjoin two floors of identical height.

B Reducer – used to transition two different floor heights.

C Square Nose – used to transition to carpet.

D Square Nose – edge moulding used to conceal the expansion gap around the perimeter of the room.

E Flush Stair Nosing – seamless trim moulding for installation of laminate on staircases. Clicks flush into your laminate floor, thus eliminating the overlap of traditional stair nosing. An aluminium sub-base is required for the Flush Stair Nosing installations. 5-in-1 can also be used for traditional overlap installations on landings.

TORLYS
smartSTEP

Fixed or Floating Stair Nosing

A unique moulding solution to add the perfect finishing touch to your installation. The smartSTEP is made from an actual plank of flooring for a perfect colour, texture & dimension match. The laminate smartSTEP also uses the Uniclic® joint for an easy installation. A specially engineered metal plate can be used in conjunction with the smartSTEP to allow for a floating installation on landings. Contact TORLYS for details. Not all profiles available for all collections.

Euro Square Profile

Round Profile

Breakthrough Technology. Superior Underlay.

Choosing the correct underlay for your new TORLYS and Quick•Step® laminates is crucial for the protection of your flooring, your warranty and to enhance the warmth and comfort of your new floor.

TORLYS Safe and Sound (5-in-1 Foam Underlay)

TORLYS Safe and Sound reduces the sound of steps and eliminates "hollow" sounds, keeping floors quiet. Featuring a self-sealing built-in vapour barrier and adhesive strip as well as antimicrobial protection to help prevent mould and mildew. Up to IIC 71*

TORLYS Acoustik™ (4-in-1 Foam Underlay)

TORLYS Acoustik™ has superior impact sound insulation properties (IIC-rated), ideal for highrise installations. TORLYS Acoustik™ also features a vapour barrier and a built-in adhesive strip as well as antimicrobial protection to help prevent mould and mildew. Up to IIC 74*

TORLYS 3-in-1 Foam Underlay

This foam underlay provides cushion and step-sound reduction. It includes a vapour barrier with a built-in adhesive strip and antimicrobial protection to help prevent mould and mildew. Up to IIC 70*

TORLYS CorkPlus™ BLUE Underlay

TORLYS CorkPlus™ Blue Underlay is a superior natural insulator with long-lasting performance. This environmentally friendly product offers natural air-cushioning for comfort, sound step absorption and thermal insulation, and contains Microban® antimicrobial protection that helps prevent mould and mildew. Up to IIC 71*

TORLYS XV Foam Underlay

TORLYS XV underlayment is the perfect solution when budget is important. It provides moisture and sound control at an incredible value. Featuring a built-in adhesive strip to ensure your floor is protected from moisture. Up to IIC 71*

TORLYS LV-Pro Foam Underlay

TORLYS LV-Pro is a high density underlayment solution, created to help minimize subfloor imperfections. It has a self-sealing moisture barrier with Ultra-Fresh™ antimicrobial technology infused into the underlayment to protect against the growth of mould and mildew.

*Visit torlys.com for specific collection ratings. Contact TORLYS for testing details.

Laminate Maintenance

TORLYS EcoCare Maintenance Kit

TORLYS EcoCare Maintenance Kit makes cleaning easy and carefree. It leaves no trace or residue, is easy on the environment and non-toxic, making it safe for pets and children. Proudly made in Canada. The kit includes a telescopic handle, a mop cover and a 700ml ready-to-use cleaner.

Maintain Humidity in Your Home

TORLYS smart floors and Quick•Step® are natural products. Use a humidifier or dehumidifier to regulate humidity (20-65%) and minimize expansion and contraction. This is required to preserve your floor.

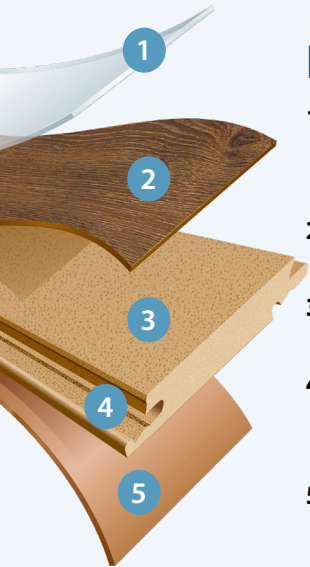

Minor Fix-Ups

TORLYS offers touch-up kits for minor scratches.

Why TORLYS Smart or Quick•Step® Laminates?

Protection & Performance

How It's Made

- 1 Top Layer.** A top finishing layer to ensure your floor stays beautiful year after year
- 2 Decorative Layer.** Real wood-like patterns featuring natural designs
- 3 TORLYS Smart Core.** Engineered to be dent resistant and strong
- 4 TORLYS Uniclic® Joint.** The most advanced, gap-resistant joint system available today
- 5 Bottom Layer.** Provides moisture protection to the core and added stability.

Smart Technology.

Like all TORLYS Smart and Quick•Step® Laminate floors, a unique production process ensures an environmentally friendly floor. These floors are made in Europe and North America. Its North American produced laminate floors contain no less than 70% recycled and fast growing softwood from managed forests for this state-of-the-art high density Smart Core.

No harmful VOCs.

These floors are FloorScore® certified, helping you create a healthier home as they contain no harmful VOC emissions and exceed California Indoor Air Quality standards; among the most stringent in the world.

Worry Less. Enjoy Your Floor.

A Floor's Best Friend

TORLYS Bulldog™ Easy Plank Replacer allows you to:

- Replace a damaged plank, not your entire floor. Simply ask your TORLYS retailer to replace damaged or dented planks using the TORLYS Bulldog™ Easy Plank Replacer. No glue. No nails. No staining.

**Visit torlys.com for specific installation instructions.*

TRANSITION FREE INSTALLATION SYSTEM

- TORLYS Smart Laminates & Quick•Step® NatureTek Laminates can be installed up to 50'x 50' with no transitions or "speed bumps"!
- No more transitions in doorways or long hallways, create one seamless installation from room to room for a completely flawless look*.

TORLYS Peace of Mind Assurance

Now That's Smart!

Non-Prorated.

TORLYS' exclusive non-prorated warranty means we are so confident that our floors will perform that if there is a manufacturer's defect during the warranty period, we will cover full replacement costs for your floor.*

Change Your Mind?

If after 30 days from installation you are not satisfied with the colour or style of your TORLYS or Quick•Step® floor, contact your retailer and TORLYS will replace your floor with a TORLYS or Quick•Step® floor of equivalent value. All you pay is the cost of installation.*

Guaranteed Trade-in Value.

Years down the road, when you want to change your floor, TORLYS will provide you a Trade-in Value of up to 20% of the original purchase price of your old floor. All you need to do now is register the warranty for your new floor.

**For more information or to register your warranty, visit torlys.com.*
