# TORLYS RigidWood™

The Perfect Rigid LVT Floor.

## The Flexibility you WANT. The Rigidity you NEED.

Only RigidWood™ offers a quiet, solid-feeling floor with **NO Peaking, Gapping, or Cupping.**

RigidWood has the Smart Advantage of TORLYS high-quality, innovative construction. The new formulation is a unique 8-layer process that includes the ultra-durable Maxx Finish, patented Uniclic® joint and FoamPlus™ Blue underlay attached.\* The result is an optimal blend of flexibility and rigidity.

### The FLEX: conforms to the subfloor better than ANY other rigid LVT.

- For a quieter more solid feeling underfoot.
- Added fiberglass layer allows for a better quality installation over irregular subfloors.

### The RIGID: creates remarkable dimensional stability.

- For peak/gap free flooring in extreme cold or extreme heat.
- **PERFECT** for ALL season flooring from cold cottages to hot sunrooms.
- ...and **NO** Transitions in 80' x 80' spaces!

\*RigidWood Vista does not include FoamPlus Blue underlay.
