Hardwood

Everest

ARTISAN PREMIER
MOUNTAIN SMOKE OAK

You deserve a stylish space to come home to. TORLYS on-trend colours and designs, including the new Twist herringbone collection, create unique, modern spaces that will make you excited to show off your home.

TORLYS Smart Hardwood collection focuses on combining the natural beauty of hardwood with an innovative construction to create a superior flooring solution. Featuring a real hardwood layer, smart core and the patented Uniclic[®] joint, Smart Hardwood floors are extremely dent resistant, resist gapping and cupping and are easily repairable with the Bulldog[™] tool. TORLYS Smart Hardwood comes complete with CorkPlus[™] BLUE attached underlay with Microban[®] for added comfort and warmth while keeping your home fresh by inhibiting the growth of mould and mildew*.

TORLYS
CorkPlus™
BLUE
with
MICROBAN®

CorkPlus™ BLUE with Microban*

A cork underlay provides warmth and comfort underfoot while dampening sound from traveling throughout the home with its naturally insulating material. Being made out of recycled cork, the underlay is an environment-friendly product and preserves protected oak forests with sustained harvesting. Exclusive to TORLYS, the added Microban® antimicrobial protection keeps your space fresh by preventing odours and stains caused by mould and mildew.

The Microban® Advantage.

The CorkPlus™ BLUE* attached underlay infused with Microban® antimicrobial product protection will resist the growth of mould and mildew under the floor, resulting in hygienic floors that keep their great looks.

Bulldog™ Certified**

Easily Repair, Reuse and Renew Your Floors

Replace your single damaged planks with ease or move your floors to another room with the TORLYS Bulldog™ Easy Plank Replacer, a unique innovation exclusive to TORLYS. No nails. No dust. No mess.

*Summit Premier does not include the CorkPlus™ BLUE attached underlay.

**Everest Twist is not compatible with the Bulldog Tool.

TORLYS Smart Hardwood

A Proven Name in Flooring.

In business for over 30 years, TORLYS floors are a dependable, proven product. Their high-quality construction, design and innovative technology come together to offer only the best to customers.

TORLYS Extra-Stable Smart Core

TORLYS Smart Hardwood Core is **34% harder** than solid hardwood and **56% harder** than plywood and fillet core hardwood.

**TORLYS Smart Hardwood
with Smart Core**

**Traditional
Solid Hardwood**

**Other Engineered Hardwood
with Plywood Core**

Beyond the Surface

Long-Lasting Durability

Enjoy the original beauty of your floors for years to come. The TORLYS Smart Core provides superior dent resistance and stability which means your Smart Hardwood floors will withstand daily wear and tear. Smart Hardwood will not dent as easily as traditional solid hardwood and plywood/fillet core hardwood, while the use of the Uniclic® joint will resist gapping and cupping – ensuring a long lasting, gorgeous floor.

The Tightest and Strongest Joint in the Industry

Quick & Easy Installation

Simply click your floors together without the use of nails or glue for easy installation. The UNIFIT X technology used on the end joints of Everest Designer & Twist allow for an even faster installation – up to 38% faster!

Worry-Free Living

The innovative Unilic® & UNIFIT X joint technologies incorporate pretension, making for tighter joints that resist gapping and cupping.

Installation Versatility

The UNIFIT X end joint used on Everest Designer & Twist is unlike other systems – it can be installed fold-down, tap or angle. This makes working with large plank sizes much easier.

A New Twist in Flooring

Single Herringbone Pattern*

Double Herringbone Pattern*

* These installation patterns are not compatible with the use of the Bulldog™ tool for repairs or replacements.

Everest Twist

The classic herringbone pattern is becoming one of the hottest flooring trends on the market. And now, TORLYS offers an innovative Twist on this timeless floor. TORLYS offers the perfect combination of the latest colours and textures, along with a unique and easy installation solution, creating the perfect pattern to complement your space – either classic or contemporary.

1/2" (T) x 4-3/4" (W) x 23-7/16" (L) (nominal)
12 mm (T) x 121 mm (W) x 595 mm (L)

- Wirebrushed or lightly textured finishes
- 4-sided bevel
- CorkPlus™ BLUE attached underlay with Microban® antimicrobial product protection

Easy Installation

TORLYS Twist with the patented Uniclic® side joints & Unifit X end joints, provides for a fast and precise installation that is up to 50% faster than traditional glue down herringbone.

Save Money

TORLYS exclusive online calculator saves you both time and money. Based on a layout of your room, it quickly calculates the amount of left and right pieces required to do the installation with up to 50% less waste.

Hardwood Accessory Solutions

Beautifully Finishing Your Floors.

TORLYS smartSTEP

TORLYS offers a unique stair nosing solution so you can add the perfect finishing touch to your installation. The smartSTEP is made from an actual piece of TORLYS flooring for a 100% colour and texture match. It also uses the same Uniclic® joint as your TORLYS floor for an easy and seamless installation.

This is the world's first Stair Nosing that can also be installed FLOATING.

Suitable for floating and nail/glue down applications.*

TORLYS SoloPlus 5 in 1 moulding

Easy and convenient, the TORLYS Solo Plus 5-in-1 solution includes 5 mouldings in one adaptable and colour co-ordinated profile.

Suitable for floating applications.*

SoloPlus flush stair nosing clicks flush into your TORLYS floor, thus eliminating the overlap of a traditional stair nosing (use of an aluminum sub profile is required for the Flush Installation of the SoloPlus stair nosing and must be ordered separately). SoloPlus can also be used for overlap floating installations on landings.

T-MOULDING

– Used to adjoin two floors of approximately the same thickness.

REDUCER

– Used to transition two different floor heights.

SQUARE NOSE

– Used to transition to carpet.

SQUARE NOSE

– Edge moulding used to conceal the expansion gap around the perimeter of the room.

FLUSH STAIR NOSING*

– Stair-edge seamless trim moulding for installation of hardwood on staircases. Clicks flush into your hardwood floor, thus eliminating the overlap of traditional stair nosing. An aluminium sub-base is required for the Flush Stair Nosing installations. SoloPlus can also be used for non-flush installations on landings.

* Please reference product specific installation instructions for details.

TORLYS 
DIRECT SHIP
 ACCESSORIES

TORLYS Direct Ship accessories include colour co-ordinated mouldings, stair nosings and vents that provide the final design element for any room, creating a seamless appearance with any TORLYS hardwood floor.

Suitable for floating and nail/glue down applications.*

QUARTER ROUND

– Create subtle blends between wall base/vertical surface and hardwood floors.

T-MOULDING

– Provide an attractive solution for transitioning between floor surfaces that are approximately the same thickness (e.g. between adjoining rooms).

WALL BASE

– Creates a formal border transition between flooring and walls.

REDUCER

– Flush and overlap reducers allow for smooth transitions between floors of different heights.

STAIR NOSE

– Flush and overlap stair nosings add a professional and finished look to stairways. Offered in traditional and euro nose profiles.

VENTS**

– Offered in surface mount and flush styles to provide a consistent and refined appearance to a wood floor.

* Please reference product specific installation instructions for details.

** Sturdy metal damper systems for personalized airflow regulation are available as an optional add on to vents.

Hardwood Maintenance

Keep Your Floor Looking Beautiful.

Clean Regularly – use a clean, untreated dust mop or vacuum regularly, wipe up spills quickly with a cloth, and clean as required with TORLYS Natural Glow® Eco-Friendly Cleaning Kit.

• **Only Use TORLYS Maintenance Products** – Never use wet mops, highly acidic or alkaline cleaners, non-recommended commercial cleaners or polishes, or a treated mop that has been used to clean other floors or furniture.

• **Protect Your Floors** – Use non-skid, non-stain mats in entryways. Clean your mats regularly to avoid build-up. Use protective pads on furniture feet to prevent damage.

• **Use Caution** – Some types of high heel shoes can severely damage the surface of any floor covering.

• **Check on Your Pets** – Keep your pet's nails and claws trimmed.

TORLYS Natural Glow® Eco-Friendly Cleaning Kit

TORLYS eco-friendly cleaning products are biodegradable, with no VOCs, and fragrance-free. Clean your floor as required with this easy-to-use kit.

Maintain Humidity in Your Home

TORLYS Smart Hardwood is a natural product. Use a humidifier or dehumidifier to regulate humidity (30 – 60%) and minimize expansion and contraction. This is required to preserve your floor.

Hardwood Environment

A Smarter Use of Natural Resources

We understand the importance of protecting our environment.

Up to 30 times more Smart Hardwood flooring from a single tree than 3/4" solid hardwood.

CorkPlus™ BLUE underlay uses 100% recycled cork.

At TORLYS, we work hard to make our products as sustainable as possible, offering you floors you can be proud of.

High Standards Create a Healthy Home

TORLYS Smart Floors adhere to CARB II, European (E1) and California's Indoor Air Quality standards, some of the most stringent set standards in the world, and contain no harmful VOCs.

Leed Certification

TORLYS Smart Hardwood floors contribute to Leed® credits in construction, commercial interiors and existing buildings in three categories:

1. Materials and resources
2. Indoor environmental quality
3. Innovation and design process

Minimal Environmental Impact

TORLYS sources its hardwood from managed forests, including, in some collections, FSC or PEFC certified forests and produces up to 30 times more Smart Hardwood flooring from a single tree than 3/4" solid hardwood. Even the cork in the CorkPlus™ BLUE underlay comes from 100% recycled cork.

Bulldog™ Certified*

Easily repair, reuse and renew your floors with the TORLYS Bulldog™ Easy Plank Replacer, a unique innovation exclusive to TORLYS.

CorkPlus™ BLUE with Microban®

Our CorkPlus™ BLUE attached underlay with built-in Microban® antimicrobial product protection resists the growth of mould and mildew that cause stains, odours and flooring deterioration.

Mould growth after 7 days.

Cork Unprotected

CorkPlus™ Blue Protected with

*Does not apply to Everest Twist.

Hardwood FAQs

Everything You Need to Know.

Can I put TORLYS Hardwood anywhere in my house?

TORLYS Hardwood is an engineered product, well-suited for installation below, on, or above grade, over concrete and even over existing floors. Depending on the application, underlays and/or vapour barrier may be required. Ask your local TORLYS dealer for more information on different applications and what you may require. Check details at www.torlys.com.

Should I expect shade variation in my TORLYS Hardwood?

Yes. Variation of shade and grain are characteristic of hardwood floors. In fact some species, Walnut for example, will exhibit wild grain and colour variation as an integral part of their inspiring beauty.

What is the TORLYS Bulldog™ Easy Plank Replacer?

Only TORLYS offers you the Bulldog, a tool that allows you to repair any plank in your floor, even if it's in the middle of your room, with no power tools and little dust or noise. Ask your TORLYS retailer for details.

Is TORLYS Hardwood difficult to maintain?

TORLYS Hardwood requires the same maintenance as all other TORLYS floors. Simply vacuum or sweep your floors on a regular basis. Clean as required with TORLYS Natural Glow Eco-Friendly Cleaning Kit.

Can I install TORLYS Hardwood myself?

TORLYS Hardwood uses the patented Uniclic® joint technology, a nail-free joint that ensures a great looking floor that resists gapping and cupping. All you need is a saw, hammer, installation kit, tape measure, pencil and some time to

install your floor. Everest Designer & Everest Twist use a combination of Uniclic® and UNIFIT X joint technologies for a quick installation. You can always contact your local TORLYS dealer for professional installation options as well.

What is the TORLYS Trade-in Value?

The TORLYS Trade-In Value is an innovative program – the first of its kind! Years down the road when you want to change your floor, TORLYS will provide you up to 20% of the original purchase price of your old TORLYS floor. Register your warranty for your new floor. For more information and to register your warranty visit www.torlys.com. Applies to purchases in Canada only.

What is the 30/30, 30/60, 30/90 Satisfaction Guarantee?

If after 30 days from installation you are not satisfied with the colour or style of your TORLYS floor, contact your retailer and TORLYS will replace your floor with a TORLYS floor of equivalent value. Applies to professionally installed floors only. All you pay is the cost of installation. For more information and to register your warranty visit www.torlys.com.

What makes a core smart?

TORLYS Smart Core provides superior dent resistance and stability, allowing your Smart Hardwood floors to withstand daily wear and tear. TORLYS Smart Hardwood is 34% harder than solid hardwood and 56% harder than plywood core hardwood, plus its Uniclic® joint resists gapping and cupping, ensuring a long-lasting, gorgeous floor - isn't that smart?
